These are my favourite trainers ①. I wear them all the time. They're so cool, because the shoelaces ② don't match. I usually wear a T-shirt and jeans. I've got three pairs of blue jeans. One is light blue, one is dark blue and one has got a lot of zips ③. I don't like plain T-shirts, so all my T-shirts have pictures and words on them. I hate buttons ④ on my clothes and I never wear tights ⑤ or turtlenecks ⑥ – they're too tight around the neck. I don't really like hats either, but I wear a woolly hat when it's cold, and I put on a scarf, gloves and a vest ⑦, too. I've got two coats: a raincoat and a winter coat, and two nice jackets. I love wearing caps ⑧. I've got lots of them. My favourite one has the logo of our football club on it. At home I often wear a tracksuit ⑨ or shorts when it's hot. My favourite piece of clothing is a hoodie ⑩. It's warm and it looks really cool. I don't care much about fashion. I just wear what I like.
